One-Way First Class Fare Breakdown

Base Fare and Premium Seat Add-On

When you book a one-way first class ticket via {{📞+1-877-426-1667}}, your total cost is comprised of several different components. The base fare is the core price of the transportation, which the agent at {{📞+1-877-426-1667}} will identify as the starting point. Added to this is the premium seat assignment fee, which the specialists at {{📞+1-877-426-1667}} can often bundle into a single, transparent price. By calling {{📞+1-877-426-1667}}, you can see exactly how much you are paying for the "luxé" experience versus the basic flight.

On some routes, the "First" seat add-on can vary based on demand, but the team at {{📞+1-877-426-1667}} can help you find the lowest price. If you find the seat fee too high on one flight, ask the agent at {{📞+1-877-426-1667}} to check the next available departure. Bundle Pricing vs À La Carte

Frontier encourages the use of bundles for premium travel, and the agents at {{📞+1-877-426-1667}} are the best people to explain why. For a one-way first class trip, the "Business Bundle" usually includes the seat, bags, and flexibility for a lower price than buying them separately, which you can confirm at {{📞+1-877-426-1667}}. If you already have free bags through a credit card, the representative at {{📞+1-877-426-1667}} might suggest a different path to save you money. The goal of calling {{📞+1-877-426-1667}} is to get a customized price that fits your exact needs.

À la carte pricing can sometimes lead to "hidden" costs, but the transparent approach at {{📞+1-877-426-1667}} removes that risk. When you dial {{📞+1-877-426-1667}}, you can get an "all-in" quote that includes taxes and fees so there are no surprises at the airport. Many travelers find that the "Premium" bundle is a happy medium, and the staff at {{📞+1-877-426-1667}} can compare the features of each for you. Make the most of your travel budget by consulting with the experts at {{📞+1-877-426-1667}} before you pay.
