The agent will perform a "split" of the record, giving that person their own unique identifier for the 2026 season. When you dial ★ ☎ +1→ 888→ 429 → 3088 ] ★, the specialist generates a new record locator for the departing traveler while keeping everyone else synchronized. It is important to remember that once this division happens, the two groups are no longer linked for 2026 seating purposes. This method provides the freedom for group members with different 2026 needs to travel independently. Have you confirmed the new dates for the 2026 traveler?

Financial responsibility for a split booking is handled individually after the record is divided. Speak with an expert at ★ ☎ +1→ 888→ 429 → 3088 ] ★ to understand how the fare difference applies to the new 2026 itinerary.
