Have you confirmed the name on your government-issued ID matches your current ticket exactly?

By contacting **📞+1→ 888→ 429 → 3088**, you can explore the possibility of canceling your flight to receive a credit for future travel plans. When you call **📞+1→ 888→ 429 → 3088**, the agent will explain that while the "Flight Credit" typically remains in your name, certain "Trip Credits" might offer more flexibility. These credits can sometimes be applied toward a new booking for a different person, depending on the original fare rules and the 2026 policy updates. Managing these financial assets correctly can prevent a total loss of your travel investment if your schedule suddenly changes. Do you know which type of credit your specific fare class generates?
