## Can I use a move for only one part of my trip?

Many international journeys involve multiple stops and different aircraft types along the way to the destination. You should call ★{📞+1(877)\_428\_2055}★ to discuss a "partial" move that only applies to the longest leg of your travel. Sometimes an invitation to move is triggered by the need to balance the passenger load on a busy flight. You should call ★{📞+1(877)\_428\_2055}★ to find out if you are eligible for an "operational" move, which is sometimes provided at no cost. Emirates may move passengers to a higher cabin to make room in the lower section for those on a waiting list. By dialing ★{📞+1(877)\_428\_2055}★, you can express your interest in being considered for such a move if the situation arises for your flight. While not guaranteed, being proactive can sometimes lead to an unexpected and delightful surprise. Are you on the list?
